D. Policy & Procedure(s)

- Any matriculated full or part-time student in good standing may request a leave of absence from Kutztown University. A leave of absence may be granted for one semester, with the possibility of renewal for a consecutive semester, upon approval of the Registrar. Registration to continue the student’s program of study may occur at the conclusion of the leave without repeating the admissions process, and the student may select courses with the class appropriate to the total credit hours earned.

- Conditions governing the granting of a leave of absence:

  1. A leave of absence may be granted for medical reasons, study abroad, absence of required course(s) in a particular semester’s schedule, and for other reasons, all of which should be appropriately documented and presented to the office of the Registrar. If the leave is granted, the effective date of the leave would be considered as of the date approved by the Registrar.

  2. Any student who fails to return to the University at the end of the approved leave and who, at a later date, again wishes to matriculate must reapply for admission.

- Procedure:
