

## Post-Production Certificate Requirements

The Post-Production Certificate includes classes in post-production, graphics for digital media and advanced post-production. Classes in this certificate support editing techniques, color management, visual effects and collaborative workflows resulting in delivery of productions in corporate video to short films. This certificate introduces students to the step-by-step process of post-production that will be useful in a broad scope of industries and workplaces.

*Program Requirements: 9 credits. Students must earn a “C” or higher in all required courses.*

### **Post-Production Certificate Core Courses – 9 credits**

*No CTME courses may be substituted.*

CTME 180 Post-Production (3 credits)

CTME 271 Graphics for Digital Media (3 credits)

CTME 366 Advanced Post-Production (3 credits)

**Program Plan Code:** CERT\_POPD

**Effective Semester:** Fall 2023
