*Denotes online course.

#Denotes on-campus course. Students with equivalent undergraduate coursework may substitute other graduate level music courses.

[^]Note-Evidence of Chapter 49.13 competencies must be met. If not present, or if coursework is deemed to not meet 49.13 competencies, SPU 500 and SPU 516 will be required. If equivalent coursework is deemed to meet 49.13 competencies individual substitutions will be suggested upon intake.

- Candidates must pass the required professional certification exams to be eligible for Certification.
- Students with an undergraduate degree in music are expected to have completed a conducting course and piano proficiency.
- All M.Ed. Initial Certification in Music Education students will be required to demonstrate current piano proficiency at the requisite level prior to requesting a clinical placement.
- Upon intake proficiency in techniques courses will be determined via interview and exam. Deficiencies will require enrollment in the appropriate on-campus courses; MUU 231: String Techniques, MUU 232: Woodwind Techniques, MUU 233: Brass Techniques, MUU 234: Percussion Techniques or their corresponding graduate level course.
- Students must meet all requirements for teacher candidacy including completing all required observation and exploration hours prior to receiving a clinical placement.
