

Instructional Technology: Digital Classroom Technology – Master of Education Program Requirements

The program leads to a master's degree in Instructional Technology. This is a non-certification program.

Note that all students must achieve 30 graduate credits and a minimum 3.0 overall GPA to graduate. The final GPA requirement for Instructional Technology is 3.0.

Required Foundation Courses – 6 credits

LLTC 505 Perspectives on Instructional Technology and Learning (3 Credits)
LLTC 521 Technologies for the 21st Century Educator (3 Credits)

Required Major Courses – 12 credits

LLTC 535 Designing Distance Education for the K-12 Educator (3 Credits)
LLTC 545 Problem-based Learning Through Instructional Technology (SAS) (3 Credits)
LLTC 555 Building Effective Online and Classroom Instruction (3 Credits)
LLTC 565 Emerging Technologies for Educators (3 Credits)

Electives in the Major – 6 credits

A student must choose two 3 credit courses. Any LLTC graduate level course may count as an elective. If a student chooses LLTC 540 – Management of Information and Technology Centers as an elective and completes a 90-hour internship in addition to the M.Ed. coursework, the student may apply for a PA Instructional Technology Specialist Certification.

Required Research Course – 3 credits

LLTC 575 Methods of Research (3 Credits)

Comprehensive Project Requirements – 3 credits

LLTC 585 Digital Portfolios (3 Credits)

Comprehensive Portfolio is required and will be graded on a pass/fail guideline. Check with your program coordinator or academic advisor for more information.
