Supply Chain Minor Requirements

Business students in the Supply Chain Management program are equipped to take on leadership positions across diverse careers in logistics, supply chain, transportation, and warehousing sectors. Apart from completing foundational Business core courses, students in the supply chain program must engage in advanced studies encompassing Supply Chain Management, Business Logistics, Supply Chain Analytics, and Global Transportation Management, in addition to selecting elective courses related to supply chain dynamics.

Supply Chain Management Core Courses – 9 credits

SCMG 260 Principles of Supply Chain Management (3 credits)
SCMG 361 Principles of Business Logistics (3 credits)
Any other 300-level SCMG course (3 credits)

Supply Chain Management Minor Elective Courses – 9 credits

(Choose Three)
Any other 300-level SCMG course not used in Required Courses (3 credits)
Any other 300-level SCMG course not used in Required Courses (3 credits)
Any other 300-level SCMG course not used in Required Courses (3 credits)
