

# University Honors | Living & Learning Event Form

Living & Learning event participation reflects the University Honors Program commitment to being involved and engaged in the extracurricular learning opportunities that are an integral part of a rich college experience. Any campus *extra-curricular learning activity* confers Honors L/L credit. Students are encouraged to seek out activities that are meaningful to them, broaden their horizons, and advance their educational goals. Students who started in Honors as first-year students are required to attend at least 8 L/Ls; transfers do 4.
